Day-by-day itinerary

1

Arrival in Sarajevo

Your driver meets you in the arrivals hall of Sarajevo Airport — about 20 minutes to the centre. Check in, rest, and in the evening walk through Bašćaršija, the old bazaar, for Bosnian coffee by the Sebilj fountain.

Overnight: Sarajevo ● Bašćaršija

2

Olympic mountains and the springs of the Bosna

A morning on Igman and Bjelašnica, the mountains of the 1984 Winter Olympics, less than an hour from the city — meadows, viewpoints and clean air. In the afternoon Vrelo Bosne: the springs of the river Bosna, wooden bridges and a long tree-lined avenue at Ilidža.

Overnight: Sarajevo ● Igman · Bjelašnica · Vrelo Bosne

3

Konjic, Jablanica Lake and an eco village

A gentle day in the green Neretva valley: the old stone bridge of Konjic, the shores of Jablanica Lake, and lunch at the Raj u raju eco village near Konjic — wooden chalets, gardens and river views.

Overnight: Sarajevo  Konjic · Jablanica Lake · Raj u raju eco village

4

Prokoško Lake on Mount Vranica

A high glacial lake on Vranica, surrounded by shepherds' huts and pastures — one of the most beautiful mountain views in Bosnia. The last part of the road is a mountain track; we choose the vehicle accordingly.

Overnight: Sarajevo  Prokoško Lake

5

Travnik and up to Mount Vlašić

North-west to Travnik: the painted mosque, the clock tower, the fortress and the cold springs of Plava voda, with a lunch of Travnik cheese. In the afternoon up to the plateau of Vlašić for mountain air and a quiet night.

Overnight: Vlašić  Travnik · Vlašić

6

Jajce waterfall and the Pliva lakes

Jajce, where the Pliva drops into the Vrbas right below the old town, then the wooden watermills on the Pliva lakes — calm water for a boat or a long walk. Back to Vlašić for the evening.

Overnight: Vlašić  Pliva waterfall · Pliva Lakes

7

To Bihać and the Una valley

A scenic drive to the far north-west and Bihać. Evening by the river — the Una is famous for its emerald colour.

Overnight: Bihać  Bihać

8

Una National Park: Štrbački buk and Martin Brod

The best of the Una National Park: Štrbački buk, a 24-metre cascade of falls, and the many small waterfalls of Martin Brod. In summer, rafting with a local operator is possible.

Overnight: Bihać  Štrbački buk · Martin Brod

9

Otoka, Bosanska Krupa and Brekovica

Along the Una to Bosanska Krupa and Otoka, where houses stand on a river island, then the riverside of Brekovica near Bihać — the quiet, local side of the valley.

Overnight: Bihać  Bosanska Krupa · Brekovica

10

Back to Sarajevo

The longest drive of the trip — about 300 km — with a long lunch stop on the way. Free evening in Sarajevo.

Overnight: Sarajevo

11

Mostar, the Buna spring and Počitelj

The full Herzegovina day: the Old Bridge and the bazaar of Mostar, the dervish house at the Buna spring in Blagaj, and the walled hillside village of Počitelj above the Neretva. About 125 km to Mostar — a long but unforgettable day.

Overnight: Sarajevo  Stari Most · Blagaj Tekke · Počitelj

12

Mount Jahorina or Malak farm

Your choice: Jahorina, the Olympic mountain above Sarajevo with its summer activities and views, or a relaxed countryside day at Malak farm.

Overnight: Sarajevo  Jahorina · Malak farm

13

The Bijambare caves and nature park

The protected landscape of Bijambare, about 40 km from Sarajevo: a show cave, forest paths, meadows for a picnic and a wooden playground for children.

Overnight: Sarajevo  Bijambare

14

Sarajevo old town, Trebević and Sunnyland

Gazi Husrev-beg Mosque, the Latin Bridge and the City Hall in the morning; then the cable car up Trebević and Sunnyland on its slope, with the alpine coaster and the best view over the city. Last evening in Baščaršija.

Overnight: Sarajevo  Baščaršija · Mount Trebević · Sunnyland
